

Cane Quest

An O&M Challenge For Grades 3-12

April 25, 2026

Edison High School
Minneapolis

Cane Quest is a fun Orientation & Mobility (O&M) program organized by the Braille Institute and designed for students with low-to-no vision. Strong O&M skills lay the foundation for independence, confidence, and safety. Whether students are new to using their white cane or are experienced cane users, Cane Quest is an exciting way for students to demonstrate their O&M skills and make new friends. Students will navigate real-world travel routes, complete timed challenges, and showcase their independence and confidence in mobility.

Benefits to Students

- Practice O&M skills
- Meet other students from around the state
- Confidently explore their world
