

CALL FOR _____ ***VOLUNTEERS!***

SparkPath field trip events could not happen without our AMAZING "Red Shirt Volunteers"! Volunteer tasks range from checking in school groups, helping students feel safe as they navigate campus, assisting presenters during their sessions, monitoring various spaces, transporting lunches, and helping with event logistics.

Creativity Festival

January 13 & 14, 2026

CreativeCon

January 15, 2026

Our creativity events are one-day field trips held at Ted Mann Concert Hall, University of MN for students in 3rd-5th grade (Creativity Festival) and 5th-8th grade (CreativeCon). Students attend an opening performance and three interactive sessions led by community professionals from the arts and sciences. Students practice creative thinking and problem solving.

Young Authors Conference (YAC)

March 19, 2026

May 26-28, 2026

YAC is a one-day field trip held at Bethel University, Arden Hills for students in 4th-8th grade who love to write. This event features a keynote address, writing sessions, a book fair by Red Balloon Bookshop, live music, an open mic, and more!

STEMLink

March 13

Anoka Technical College

STEMLink is a one-day field trip held at a local college campus for students in 5th-6th grade. Science, Technology, Engineering, and Math careers come to life as students participate in four hands-on sessions in college labs with professionals from the STEM fields.

In-Office Projects

All Year

SparkPath events are compiled of a million little tasks that make the day great. You could be stuffing folders, counting lanyards, sharpening pencils, sorting signs, prepping handouts, scanning historical documents into our online database, or other skill-based opportunities. No task is too small. Make a difference and volunteer today!
