

2026 Minnesota Cane Quest Impact Report

16 students

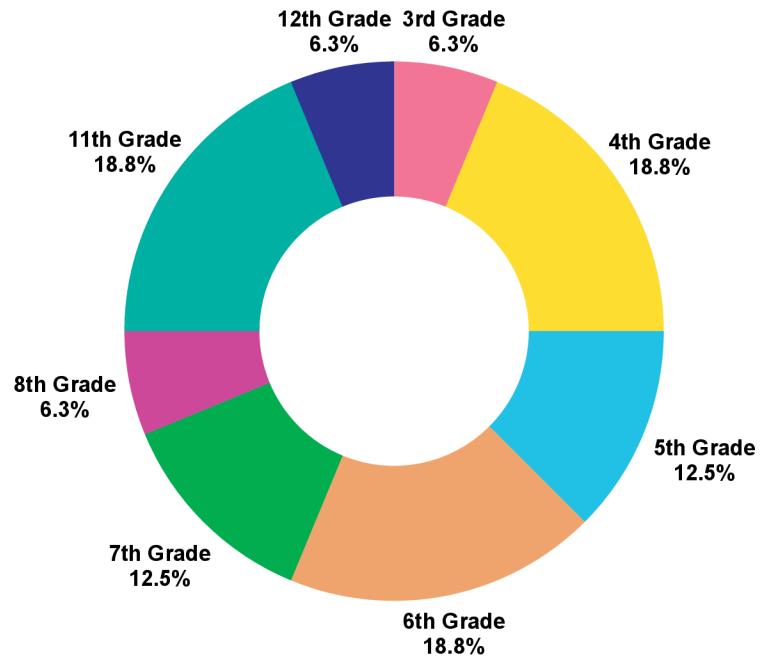

competed at the first MN Cane Quest at Edison High School in Minneapolis!

100% of participants

rated Cane Quest **4 or 5 out of 5**. This includes students, families, teachers, and volunteers.

16 organizations

came together to make Cane Quest happen, including Minneapolis Public Schools and local businesses, donating prizes and food for participants, families, and volunteers.

Testimonials

- “It was great to watch how determined and excited the students were to complete the challenges.”
- Volunteer
- “My favorite part was being with other blind children and their families.”
- Parent
- “Seeing the students show off their skills and meeting with other Certified Orientation and Mobility Specialists (COMS) was so fun.” - Teacher
- “Students loved it. Very well organized.” - Volunteer
